Centennial College: See Where Experience Takes You

When Centennial College was founded as Ontario’s first public college in 1966, it focused on preparing students for burgeoning new careers in business, communications and social services. Rapidly expanding public services such as recreation and child care needed new kinds of practitioners, and the college emphasized careers that were geared to the local economy. By contrast, today’s Centennial College is an integral part of the global economy. With 7,000 international students enrolled at its Toronto campuses, Centennial has become a cosmopolitan learning destination that transcends borders and brings tangible benefits to all who learn here.

Learning should be visceral, imaginative, liberating and empowering. At Centennial, it is. Graduates are prepared to do meaningful work and lead meaningful lives. Students are given significant opportunities to engage, both locally and internationally. Volunteer experiences through our Global Citizenship and Equity Service Learning Experiences (GCELE) dispatch students to distant lands, including Peru, South Korea and Kenya, to perform service learning in rural and often remote communities. Our award-winning approach to teaching...

After You Apply – Next Steps
After You Apply

I’ve submitted my application. What’s next?

• **Send your transcripts.** If you’re an Ontario high school graduate, a GED holder, or have attended a school outside Ontario, you’ll need to submit your transcript. To find out how to request transcripts and have them sent to the colleges with your application, visit our Transcripts page: [ontariocolleges.ca/transcripts](http://ontariocolleges.ca/transcripts)

• **Verify your grades.** If you’re a current Ontario high school student, you’ll need to log in to your account to verify your grades. We recommend checking the Education section after your mid-term and final marks for semesters 1 and 2 have been submitted. If you notice an error, report it to your guidance counsellor.

• **Update your application.** If you need to make changes to your application, such as adding or removing a program, or update your account information, such as your address or phone number, log back in to your ontariocolleges.ca account.

• **Confirm your offer.** Colleges begin sending out offers on February 1. The following slides explain how to view and confirm offers of admission.

• **Apply for financial aid.** Once you’ve confirmed an offer, it’s time to start thinking about paying for college. There are many financial aid options available to you, including OSAP, scholarships, bursaries and grants. To learn more, check out our Paying for College page: [ontariocolleges.ca/colleges/paying-for-college](http://ontariocolleges.ca/colleges/paying-for-college)
Update Your Application

Remember to log out when you finish each session and clear your browser cache after you log out.

At any time you may resume your application from where you left off. Once ALL sections are completed (as indicated by the checkmarks), you may return to each section to view or make edits. Make sure you save any changes before moving to the next screen or logging out.

How do I accept an offer of admission?
Click the Confirm button in the left column for the offer you wish to accept. In another window, you will be prompted to confirm your selection. Upon confirming your selection, the offer to which you confirmed and the date you accepted the offer will appear in the Current Status box at the bottom of this page. You will also receive an email confirming that your confirmation was successful and the other colleges you have applied to will be notified that you have accepted another college's offer.

How do I decline an offer of admission?
If you have declined all offers, you change your mind or receive another that you prefer, you may accept the new offer (before the expiry date). The new acceptance will cancel your previous one.

Click View Offers to see your offers of admission.
Note: Offers can only be viewed after they are posted by the colleges.

Click Confirm Offer to accept an offer of admission. A confirmation email will be sent to your email address.
You may accept only ONE offer at a time and you may accept only ONE offer in a 24-hour period.
